

## St. Edward's Registration Information Kindergarten Enrichment Program

Dear Parents,

Thank you for considering enrollment in St. Edward Kindergarten Enrichment Program for the 2012-2013 school year. It is an exciting time to plan and develop a program where children, teachers, and parents will be partners in learning. Our program is designed to support Granville's kindergarten curriculum, to offer additional first grade readiness and to be a ministry to our children and families.

At this time, we are basing our registration on Granville continuing to offer half-day kindergarten sessions. If the school district makes a decision that alters this schedule, your registration fee will be refunded.

Attached please find the following:

**1. Application for Admission**

This form should be filled out completely and returned to the preschool office along with the \$200 non-refundable deposit that will be subtracted from tuition.

**2. Program Information**

Provides information on the sessions, tuition and over-all program.

**3. Subsidy Request Form**

This form is to be completed by parishioners wishing to receive a tuition subsidy.

Should you have any questions regarding the application process, our staff would be happy to answer them for you either in person or via phone. You may also wish to check our web site [www.saintedwardspreschool.org](http://www.saintedwardspreschool.org) for information on our curriculum and other information about our program.

We ask you to join our preschool staff in prayer as we develop next year's program to minister to children and their families; to accept each child as an individual, striving to help each one develop a positive self-image and to create a caring and nurturing atmosphere where our Christian beliefs are expressed by example.

Sincerely,

Linda Foley
